GOVERNMENT MOTIONS

1. Hon. Mr. Cathers (Motion #25)

THAT this House urges the Yukon Government to support development of the agriculture sector with actions including:

- (1) working with farmers and industry associations including Yukon Agriculture Association and the Grower's of Organic Food Yukon to implement the Agriculture Multi-Year Development Plan,
- (2) developing a "Yukon-Grown Food Policy" aimed at significantly increasing the production and use of locally-grown vegetables, meat and food products,
- (3) supporting the development of agriculture infrastructure that improves food security, facilitates access to market, and encourages local production of food,
- (4) supporting the development of local markets for Yukon agriculture products through measures including increasing the annual funding for the Fireweed Community Market; and
- (5) working with Yukon farmers to conduct agricultural research.

2. Hon. Mr. Dixon (Motion #119)

THAT this House urges the Government of Yukon to develop and implement a Yukon Water Strategy that will help provide long-term direction for economically and environmentally responsible development, management, and use of water in Yukon and establish principles to guide future decision making.

NOTICE PAPER**MOTIONS OTHER THAN GOVERNMENT MOTIONS**

1. Mr. Tredger (Motion #139)

THAT this House urges the Minister of Education, in developing the Department's Rural Strategy, to ensure that:

- (1) the Strategy is clearly articulated to all stakeholders,
- (2) its objective is to improve outcomes for rural students in graduation rates and academic preparedness,
- (3) the curriculum truly reflects First Nation languages, Aboriginal learning styles, and experiential methods,
- (4) specific goals are set and evaluated for improving attendance,
- (5) the Strategy is developed in partnership at a community level with local staff, students, parents, and the whole community; and
- (6) the Strategy has clear targets, timelines, evaluation methods, and measurable outcomes.

2. Ms. White (Motion #140)

THAT this House urges the Government of Yukon to adhere to the 1998 national Accord for the Protection of Species at Risk, to which Yukon is a signatory, and introduce complementary legislation to provide for effective protection of species at risk in Yukon that will:

- (1) address all non-domestic species,
- (2) provide an independent process for assessing the status of species at risk,
- (3) legally designate species as threatened or endangered,
- (4) provide immediate legal protection for threatened or endangered species,
- (5) provide protection for the habitat of threatened or endangered species,
- (6) provide for the development of recovery plans within one year for endangered species and two years for threatened species that address the identified threats to the species and its habitat,
- (7) ensure multi-jurisdictional cooperation for the protection of species that cross borders, through the development and implementation of recovery plans,
- (8) consider the needs of species at risk as part of environmental assessment processes,
- (9) implement recovery plans in a timely fashion,
- (10) monitor, assess and report regularly on the status of all wild species,
- (11) emphasize preventive measures to keep species from becoming at risk,
- (12) improve awareness of the needs of species at risk,
- (13) encourage citizens to participate in conservation and protection actions; and
- (14) provide for effective enforcement.
